SUMMARY

BLINK is 41 m motor yacht which was delivered in 2009 by Cantieri di Pisa shipyard as one of only two Akhir 41 models. Constructed in GRP to ABS class, she was designed with distinctly sharp lines by Carlo Galeazzi.

Her sporty exterior is paired with a colourful and contemporary interior by Cristiano Gatto Design and she has accommodations for up to 11 guests in 5 staterooms alongside 7 crew. The full-beam master suite is located aft on the lower deck and boasts a private office space for remote working on board.

The main saloon is equipped with a formal dining area and spacious lounge, with al fresco entertaining including a cocktail bar offered on the upper decks. Traz zero speed stabilisers and air conditioning throughout the interiors ensure optimum comfort on board.

Externally, she has teak decks throughout, and astern is a full-width, teak-laid swim platform which comes into its own at anchor. A teak-laid swimming platform provides easy access to the water, and her transom offers storage for two tenders and a hydraulic lift to launch the tenders and bring guests for yacht to shore.

Despite her size, BLINK can hit a top speed of 24 knots powered by twin 3,650 hp MTU engines. She offers a range of 2,700 nautical miles, and still has low engine hours as she has only been lightly used since her delivery.

KEY FEATURES

- Timeless Design
- In perfect condition
- Full beam master stateroom
- Impressive range
- 4.8m (15.7ft) Ribline petrol jet tender
- 2.2m (7.2ft) rescue tender with 9.9 hp outboard
- Traz zero speed stabilizers
- BT80 bow thrusters
