SUMMARY

Delivered in June 2021, 92' SUNRISE is a superb Ferretti 920 designed by famous Studio Zuccon International Projects and built by the prestigious Italian shipyard to the highest quality standards.

Only used privately by her loving owner, SUNRISE is presented in true immaculate condition, with very low hours and still under full warranty for another year. She offers an incredible interior volume and deck space, thanks to a very clever layout and interior arrangement and can accommodate 10 guests in 5 luxury staterooms, including a vast Master stateroom on the main deck with walk-in wardrobe and ensuite bathroom, 2 VIP staterooms and 2 Twins on the lower deck. Her aft deck offers a first "al fresco" dining area, while the salon is divided between a cozy lounge and large dining table. A fully equipped galley on the main deck leads to the high tech bridge and the access to a comfortable crew mess and 3 staterooms for up to 5 crew.

Her spacious Sundeck hosts big sunbeds, along with a bar and its BBQ next to a second outdoor dining table shaded by a hard top with electrical skylight opening. A very large sunbed can also be found on the bow, along with a cozy exterior salon perfect for intimate breakfasts and chilling moments.

Loaded with options she is equipped with bow and stern thrusters, two "zero speed and underway" stabilizers (2 x Side Power fins) and a large garage allowing easy launching for her brand new Williams 395 SportJet tender and offering great storage for water toys.
