Number of Decks	4
Naval Architecture	Golden Yachts
Exterior Design	Studio Vafiadis
Interior Design	Giorgio Vafiadis

GENERAL ARRANGEMENT

**SUMMARY**

Measuring in at a magnificent 85.00 m in length and with 2,350 grt of volume, O'PTASIA is one of the largest and most advanced yachts built by the Greek shipyard, Golden Yachts. Working hand in hand with Italian-based designer Giorgio Vafiadis of Studio Vafiadis, the owner, who runs a successful yacht charter fleet as well as having varied interests in commercial shipping, has created a yacht designed for active living and pure, unadulterated comfort.

O'PTASIA comes to the sales market in pristine condition having undergone some major works over the 2023/24 winter period. Among many alterations, these include a full paint job, the removal, reinstallation and polishing of all exterior rails, replacement of 80% of the teak rubber joint, the sanding of all exterior teak decking, general overhauling of key machinery, and the completion of her five year survey.

Sophisticated styling plus a host of entertainment options both on and off the water make her ideal for large family gatherings or impressive entertainment. Extensive deck spaces play host to a wide range of amenities including an enormous beach club and spa/wellness centre on the lower deck, a large pool flanked by sunpads and a fully equipped gym on the bridge deck, multiple al fresco dining options, and sunbathing areas on all aft decks. A touch and go helipad is located on the foredeck for convenient access and can be converted to an observation platform or games area. As part of her recent refurbishment, a new exterior table on the sun deck was constructed.

Styled as contemporary with Art Deco influences, O'PTASIA's interior features a blend of dark woods, paired with a light colour palette that evokes a sense of calm. The large, open plan main saloon hosts two seating areas and a separate dining area forward, while the upper deck saloon features a comfortable lounging area and bar. All the carpets in the main deck saloon, the upper deck saloon, and the VIP stateroom have been recently replaced.

Accommodating up to 22 guests in 10 staterooms, O'PTASIA's master suite is located on the upper deck forward and offers 180-degree views. The upper deck also hosts two double staterooms and a twin stateroom, and the sliding windows on this level have recently been amended to reduce wind noise for added guest comfort. The full-beam VIP suite is located forward on the main deck with a private lounge area and his and hers walk-in wardrobes. Four more double staterooms (two of which are convertible to twin staterooms) and one twin stateroom can also be found on this deck. A guest elevator provides access between the lower deck to the bridge deck, as does the magnificent staircase, thus allowing guests to move about with ease.

KEY FEATURES

- In perfect condition
- Timeless design
- Winner of the International Superyacht Society award in the Power 65m+ category at the 29th annual Design & Leadership Award Gala 2019
