SUMMARY

The KING OF OIL is a 34.00 meter luxury motor yacht built by Sunseeker in 2009 and meticulously refitted in 2024 to enhance both style and comfort. This stunning vessel seamlessly combines timeless elegance with modern upgrades, making it an exceptional choice for those seeking an unparalleled yachting experience.

Her exterior features an expansive flybridge equipped with a barbecue station and sunbathing areas, a sheltered aft deck ideal for relaxation, and a spacious foredeck with a large sun pad. Inside, the yacht boasts a sophisticated and inviting ambiance, with earthy tones, gold accents, and high-gloss wood cabinetry. The main deck includes a voluminous salon, a formal dining area, and a fold-out balcony, perfect for entertaining guests. Additional highlights include a custom wine cabinet and state-of-the-art audiovisual systems.

The KING OF OIL accommodates up to 8 guests in 4 luxurious staterooms, including a full-beam master suite on the main deck with an emperor bed, private lounge, and his-and-hers bathrooms. The lower deck houses a VIP suite and two ensuite twin staterooms, all featuring large windows that provide breathtaking sea views.

Powered by twin MTU 12V 2000 M93 engines, she reaches a top speed of 26 knots, a cruising speed of 18 knots, and has an impressive range of 1,250 nautical miles at 11 knots. With a dedicated crew of five, the KING OF OIL promises an exceptional yachting experience, blending performance, comfort, and sophistication.
