Interior Design	Studio Laura Sessa

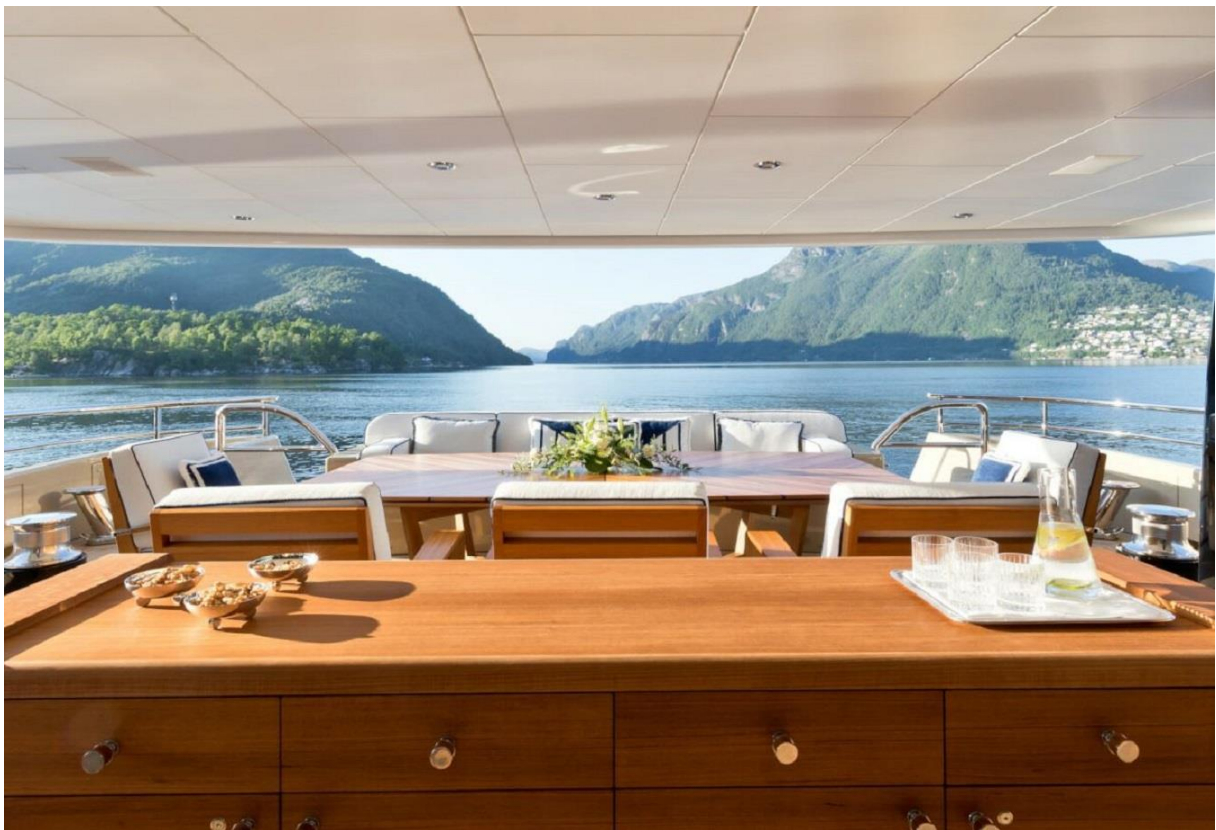

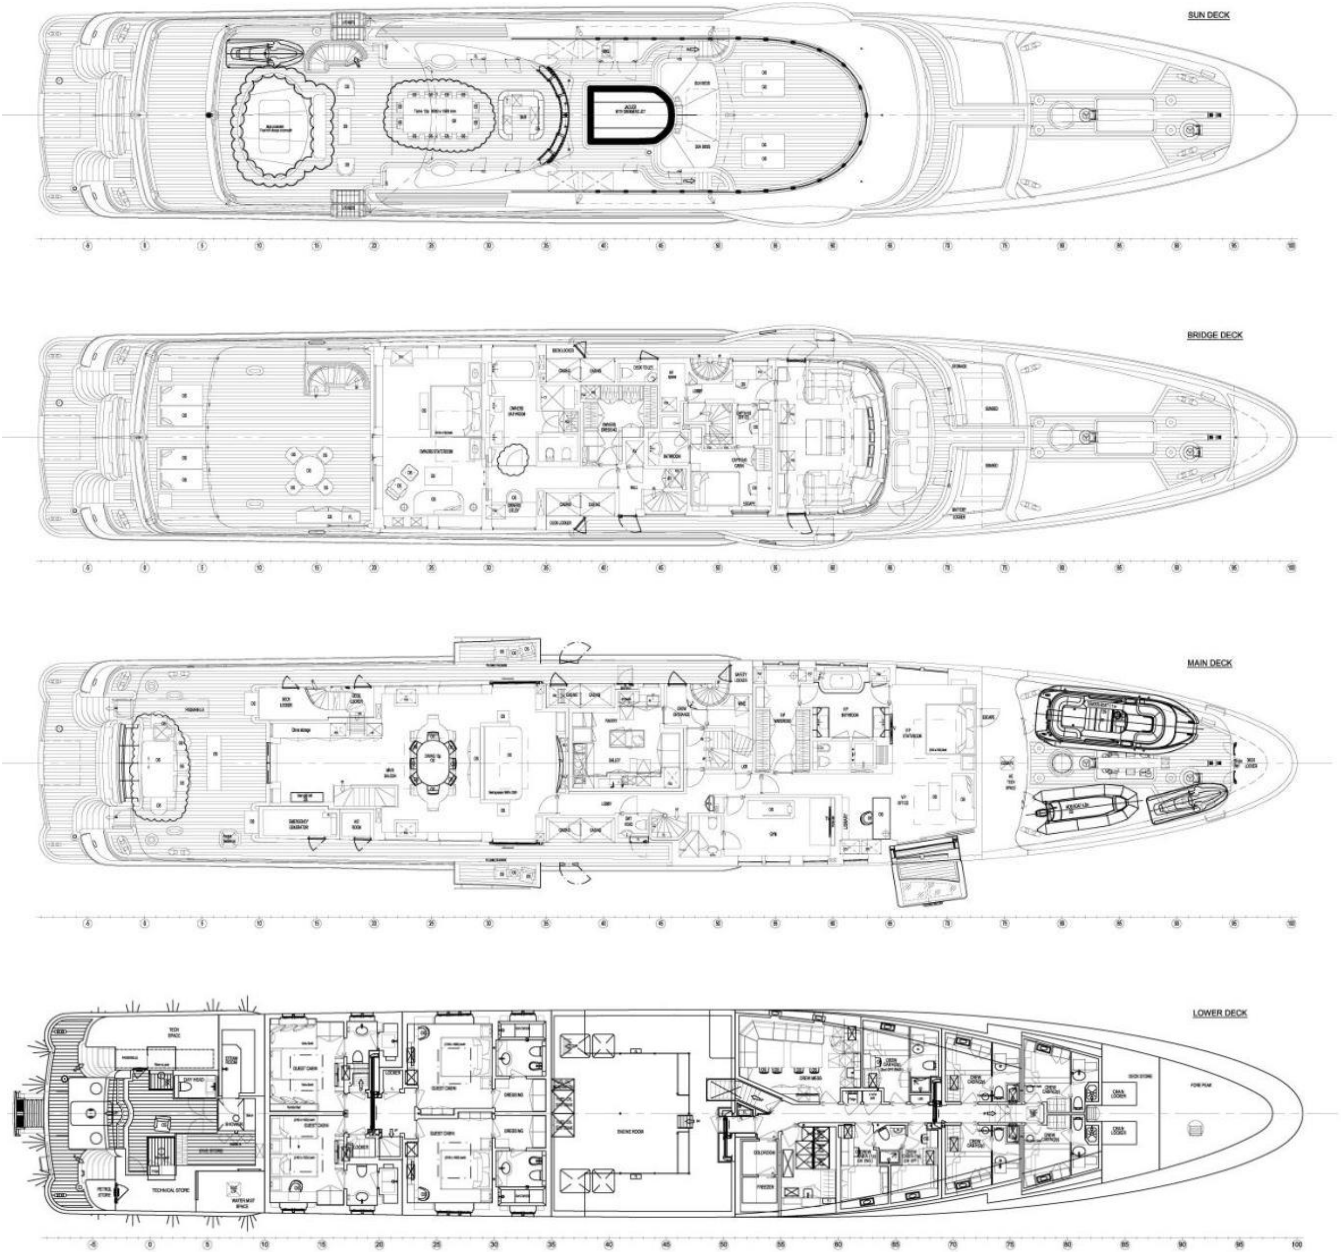

GENERAL ARRANGEMENT

SUMMARY

The 55 m Amels super yacht AMIGOS built in 2017, she is 180' Amels' timeless very popular series. From the first owner, AMIGOS is in impeccable condition. Her glamorous exterior design is by the legendary Tim Heywood, while Laura Sessa Romboli's interiors are luxurious yet tasteful, with a subtle palette of creams and silvers creating a spa like atmosphere on board.

In the main salon, dual fold down balconies to port and starboard bathe the salon in ambient light. There is a cinema area forward with a large couch, while the formal dining area in the middle of the room is the ideal setting for fine dining feasts.

AMIGOS can accommodate more than 12 guests across six staterooms, including a full beam owner's suite on the bridge deck aft, with a private terrace, plus a full beam VIP stateroom on the main deck with a fold down balcony to starboard.

The rest of AMIGOS's guest accommodation is on the lower deck and comprises two double stateroom and two twin staterooms, which are all en suite. One of the twin staterooms can convert to a double whilst the other has a pullman berth for occasional guests.

AMIGOS makes incredible use of her outdoor spaces. One of the main customisations to the Amels 180' layout was a three metres extension to her sun deck, creating an enormous socialising area, which includes a four metres counter current large jacuzzi / pool, alfresco dining shaded by the superstructure, a chic sunbathing area, and an outdoor cinema with large projector screen.

More sun pads can be found on the foredeck, while AMIGOS's beach club opens onto a generous swim platform, creating yet more outdoor space. AMIGOS is also helipad 'touch-and-go' capable, enabling seamless arrivals and departures. She comes with stabilisers both at anchor and underway and has a range of 4500 nm.

KEY FEATURES
